Dear Bob:

Mr. McCone has nominated Lyman B. Kirkpatrick for the Rockefeller Public Service Award in the field of Administration and took the liberty of listing your name as being well acquainted with Mr. Kirkpatrick's work. Dr. Robert W. van de Velde, Faculty Secretary of the Rockefeller Public Service Awards, Princeton University, will be communicating with you to get your views and recommendations concerning Mr. Kirkpatrick.

I thought I would let you know that this is in the works so that you will not be surprised by the call from Dr. van de Velde. A copy of Mr. McCone's nominating letter is attached.

Faithfully yours,

Pat
